down came the rain in tor-rents, and o-nly eight were saved.

- 1 Mister Noah built an ark,
the people thought it such a lark.
Mister Noah pleaded so,
but into the ark they would not go.
*Down came the rain in torrents (splish, splash),
down came the rain in torrents (splish, splash),
down came the rain in torrents,
and only eight were saved.*

- 2 The animals went in two by two,
elephant, giraffe and kangaroo.
All were safely stowed away
on that great and awful day.
Down came the rain . . .

*Whenever you see a rainbow,
whenever you see a rainbow,
whenever you see a rainbow,
remember God is love.*
